

Date: 24/5-16 Facilitator: Emilia Vestlund **Participants:** Emilia Vestlund, Razmus Strandell, Emil Hukic, Philip Ekman

1. Objectives (5 min). Resolve any issues preventing the team to continue.

Need to get the audio and pictures working

2. Reports (15 min) from previous meeting

Rasmus has done a real good job with the sharing of decks and Emil with the statistics. Emilia has figured out how the pictures gonna work with the database with help from Philip.

3. Discussion items (35 min)

We discussed usecases, RAD and SDD and did them together

4. Outcomes and assignments (5 min)

Get everything done to the final review

5. Wrap up
