

**Date: 12/5-16 Facilitator:** Emilia Vestlund

**Participants:** Emilia Vestlund, Razmus Strandell, Emil Hukic, Philip Ekman

## **1. Objectives (5 min). Resolve any issues preventing the team to continue.**

We need to have more spaced repetition in our program hence we are writing about that in our paper.

## **2. Reports (15 min) from previous meeting**

Emilia has programmed a lot and has added both audio and pictures to the program.

Philip has done the interface for the sharing

Emil has worked with statistics

Rasmus has finished up with different modes

## **3. Discussion items (35 min)**

We discussed about the spaced repetition and said that we gonna add that more to the application.

## **4. Outcomes and assignments (5 min)**

Rasmus will work on sharing in your deck with others

Emilia gonna work with notifications, audio and pictures

Emil is gonna continue working with the statistics

Philip will help everybody and work with sharing also

## **5. Wrap up**

Next meeting will take place on Tuesday 15:00 in Linsen.
