

**Date:** 24/3-16

**Facilitator:** Philip Ekman

**Participants:** Emilia Vestlund, Razmus Strandell, Emil Hukic

**1. Objectives (5 min). Resolve any issues preventing the team to continue.**

We have not chosen what project we want to do yet.

**2. Reports (15 min) from previous meeting**

No previous meetings.

**3. Discussion items (35 min)**

Everyone in the group came with great ideas for a project. The suggested ideas were:

- Flash card application for Android
- Event application for Android
- Image

**4. Outcomes and assignments (5 min)**

We chose to do a Flash card application for Android. This application will help students to study in a smarter way by letting them write flash cards with a question and an answer. The users will be able to test their knowledge by studying on a deck of flash cards.

**5. Wrap up**

Next meeting will take place on Tuesday afternoon 13:00.
